Assistant Professor  
Section of Gastroenterology

\textbf{Teresa S. Wright, MD}  
Assistant Professor, Dermatology*

*Baylor College of Medicine faculty in Department of Pediatrics unless otherwise stated
PURPOSE
The purpose of this CME activity is to provide the targeted physician audience/learners, who deliver primary pediatric care, current information relevant to the clinical approach, diagnosis, and management of health-related problems common to childhood and/or adolescents.

TARGET AUDIENCE
Pediatricians, Family Physicians, Primary Care Physicians

OBJECTIVES
At the conclusion of the activity, participants should be able to:
- Analyze the possible causes and select the appropriate studies needed to diagnose a pediatric patient presenting with fever without a source.
- Identify the possible causes of chronic cough in the child and determine the approach to diagnosis and appropriate management.
- Differentiate between children presenting with a sore throat from those with the physical signs and symptoms consistent with group A β-hemolytic streptococcal infection, and determine when to initiate confirmatory testing followed by appropriate antimicrobial therapy, as indicated.
- Identify and appropriately address behavioral problems/disorders in children, especially those with attention-deficit/hyperactive disorder.
- Recognize the warning signs of domestic violence and take appropriate action to secure the health and safety of the child.
- Identify the essential components for managing an in-office emergency situation, including appropriate equipment, trained medical and ancillary office staff, and creation of treatment protocols.
- Identify specific probiotics of potential benefit for particular health conditions in pediatric patients.

EDUCATIONAL METHODS
Lectures ■ Case Presentations ■ Syllabus

EVALUATION
Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 17.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The presentation, Teaching and Learning in the Lives of Physicians: The Ethics and Duty to Change, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.
DISCLOSURE POLICY

In order to meet the requirements of the Accreditation Council for Continuing Medical Education, it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

FEE, REGISTRATION, AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed.

If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately. If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Register online at BaylorCME.org/CME/1437

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME's liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

CONFERENCE LOCATION AND ACCOMMODATIONS

Four Seasons Hotel
1300 Lamar
Houston, TX 77010

Accommodations should be arranged directly with the Four Seasons Hotel by calling 713.652.6266. Please identify yourself with the Baylor College of Medicine Pediatric Postgraduate Symposium when making reservations in order to benefit from the special group rate ($185 single/double). Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is Friday, April 2, 2010, unless the room block has already been filled. Reserve your room early.
