announces

Pediatric Endocrinology: The Primary Care Perspective

Saturday, November 20, 2004

Feigin Center Conference Room
Texas Children’s Hospital
1102 Bates Street, 1st Floor
Houston, Texas

Presented by
Baylor College of Medicine
Department of Pediatrics
Section of Endocrinology
Houston, Texas
**Needs**
Increase in obesity in the general population has led to an increased need for the primary care provider to provide evaluation of the etiology and possible complications such as diabetes for the obese patient. Anecdotal referral information demonstrates a large concern in the primary care world for growth and pubertal assessments. In addition, recent indications for use of growth hormone in normal short children has led to increased need to identify this population appropriately.

**Target Audience**
Physicians in the specialties of pediatrics, family practice, general practice • Residents and fellows • Physician assistants • Nurses and nurse practitioners • Dieticians

**Objectives**
At the conclusion of the activity, the participant should be able to:
- Identify key features of the child with pathologic short stature
- Distinguish premature thelarche and adrenarche from precocious puberty
- Discuss appropriate management of the newborn with an abnormal CAH screen
- Describe features of the insulin resistance syndrome in children and adolescents
- List strategies for the management of Type 2 diabetes in children and adolescents
- Identify the child with new onset diabetes, recognize the child at risk for diabetic ketoacidosis, and provide sick day care for the child with Type 1 diabetes
- Interpret thyroid function tests.

**Educational Methods**
Lectures • Audiovisual Aids • Question and Answer Sessions • Panel Discussion • Syllabus • Case Presentation

**Evaluation**
Evaluation by questionnaire will address program content, presentation, and possible bias.

**Accreditation/Credit Designation**
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 4.25 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

**Nurses:** 5.0 CNE contact hours available to nurses. Texas Children’s Hospital is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity meets Type 1 criteria for mandatory continuing education requirements toward relicensure as established by the Board of Nurse Examiners for the State of Texas.

          Rubina A. Heptulla, MD

11:50   Obesity and Type 2 Diabetes
          Siripoom Vudhipoom McKay, MD

12:15 PM Question and Answer Session
          Panel Discussion
          Case Discussion

1:00    Evaluation

1:05    Conference Adjourns

As of the printing of this brochure, this conference is supported by unrestricted educational grants from: Aventis Pharmaceuticals, Genetech, Inc., Novo Nordisk Pharmaceuticals, and Pfizer, Inc.

Approval as a provider refers to recognition of educational activities only and does not imply ANCC Commission on Accreditation, Texas Nurses Association, or Texas Children’s Hospital approval or endorsement of any product.
It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credits are subject to change.

Audio or videotaping is prohibited without written permission from the Program Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.

The presence of advertisement(s) or product(s) at this educational activity does not imply endorsement of the company, products, or services by the ANCC, TNA, or Texas Children’s Hospital.
Fee, Registration & Confirmation Information
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Continental breakfast, breaks, and syllabus are included in the registration fee.

Cancellation/Refund Policy
Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses.

Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.
