NEEDS
Continuing advances in the basic and clinical sciences place increasing and changing demands on physicians engaged in the medical care of children and adolescents. In addition, the focus on quality improvement and patient outcomes has created a need for evidence-based medical information and data to direct quality of care and development of practice guidelines. Thus there is a critical need for leading-edge educational programs that address the acquisition and maintenance of competence in pediatrics. Regular updates are imperative.

ACCREDITATION/CREDIT DESIGNATION
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 15.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The sessions, Ethical Issues in Pediatric Genetics and Medical Error: What to Say and What to Do with Your Thoughts and Your Soul have each been designated by Baylor College of Medicine for 1.0 credit(s) of education in medical ethics and/or professional responsibility.

EVALUATION
Evaluation by questionnaire will address program content, presentation, and possible bias.

TARGET AUDIENCE
Pediatricians, Family Physicians, Primary Care Physicians

EDUCATIONAL METHODS
Lectures, Case Presentations, Interactive Audience Response System, Syllabus, Question and Answer Sessions

OBJECTIVES
At the conclusion of the activity, participants should be able to:

- Apply the current American Heart Association guidelines for the prevention of infective endocarditis
- Facilitate the transition of pediatric patients with congenital heart disease to adult cardiology services
- Appropriately manage childhood asthma, allergic rhinitis, and adolescent contraception
- Recognize patients with mild to moderate developmental delay and make appropriate referral for diagnostic evaluation
- Describe strategies for decreasing the incidence of dental decay with the use of topical fluoride preparations
- Follow the current recommended immunization schedules for children and adolescents developed by the American Academy of Pediatrics Committee on Infectious Diseases and the Center for Disease Control and Prevention
- Select the appropriate laboratory tests and other diagnostic tools for conditions such as diabetes, congenital metabolic disorders, and infectious disease, including sexually transmitted diseases
- Identify the varied clinical manifestations of pediatric patients with a sports-related concussion and apply the appropriate management
- Counsel parents/patients regarding the pros and cons of circumcision.

FEE, REGISTRATION & CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed.

If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately. If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at www.BaylorCME.org/1401 and follow the instructions.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.
