Advances in Clinical Psychiatry
2012

Friday, September 21, 2012
Baylor College of Medicine
Lee and Joe Jamail Specialty Care Center
(formerly the Medical Office Bldg.)
1977 Butler Blvd., 4th floor | Conference Rooms E4.120 and E4.125
Houston, Texas 77030

John M. Oldham, MD, MS | Activity Director

Co-sponsored by
NEEDS
Psychiatrists need the latest evidence-based recommendations for clinical decision making as well as practical information for the assessment and treatment of disorders commonly encountered in practice. This is supported by the 2008 Institute of Medicine (IOM) report on evidence-based medicine. The IOM report indicates a widening gap between a clinician’s cognitive capacity and the number of facts necessary to consider in a single clinical decision.

TARGET AUDIENCE
This activity is designed for specialists in psychiatry and mental health.

OBJECTIVES
At the conclusion of this activity, participants should be able to:
- Identify the injury-related and pre-and post-injury factors that contribute to postconcussive symptoms while recognizing the influence of context and process on cognitive function among persons with mild traumatic brain injury.
- Evaluate the work performance of patients with psychiatric disorders, and (with the patient’s consent) provide an opinion if asked about the degree of the individuals’ occupational impairment.
- Determine appropriate intervention and treatment for veterans with combat-related posttraumatic stress disorder.
- Employ active questioning techniques when interviewing patients and family members to elicit information about suspected alcohol and substance abuse problems.
- Develop specialized psychiatric evaluation approaches for treating individuals who have been affected by disasters.
- Describe the evidence supporting the indications and use of minimally-invasive brain stimulation technologies as treatment modalities in psychiatry.
EDUCATIONAL METHODS

Lecture ■ Case Study

EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FEE, REGISTRATION AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least five business days before the activity start date, contact the OCME immediately.

If you plan to register on-site, contact Office of Continuing Medical Education (OCME) at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at BaylorCME.org/CME/1462 and follow the instructions.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME's liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

DISCLOSURE

In order to meet the requirements of the Accreditation Council for Continuing Medical Education it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credit are subject to change. Audio or videotaping is prohibited without written permission from the Activity Director and the OCME, Baylor College of Medicine, Houston, Texas.
FRIDAY | SEPTEMBER 21, 2012

7:30 AM  Registration and Continental Breakfast
