Friday, October 29 through Sunday, October 31, 2004

The Houstonian Hotel
Houston, Texas

Presented by
Baylor College of Medicine
Department of Neurology

Baylor College of Medicine
Office of Continuing Medical Education
Houston, Texas
NEEDS
Previous program participants have repeatedly requested and supported the need for a comprehensive review and update in selected areas for the practicing neurologist, with an emphasis on therapeutics. As clinical neurology continues to evolve with the explosion of discoveries in the neurosciences, our neurology faculty and CME planning committee strongly concur with the need for such a symposium.

OBJECTIVES
At the conclusion of the activity, participants should be able to:
• Describe new concepts in the pathogenesis and management of patients with Parkinson’s disease and other common movement disorders
• Discuss the role of neuroimaging and medical management of stroke
• Describe the evaluation and management of narcolepsy and epilepsy
• Discuss the evaluation and management of patients with demyelinating diseases of the central nervous system, including MS and ADEM
• Understand new information regarding myotonic dystrophy and limb girdle muscular dystrophies
• Discuss the evaluation and management of patients with Alzheimer’s disease and other dementias
• Identify the role of the brain in the production and appreciation of music
• Identify the role of prions in neurologic practice

EDUCATIONAL METHODS
Lectures • Syllabus • Audio/Video presentations • Panel Discussion • Question/Answer Session

TARGET AUDIENCE
Neurologists, family physicians, internists, nurses and other healthcare professionals desiring to increase their knowledge of neurologic disorders

EVALUATION
Evaluation by questionnaire will address program content, presentation, and possible bias.
ACCREDITATION/CREDIT DESIGNATION
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 17.5 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

NURSING CREDIT
The University of Texas School of Nursing at Houston is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity meets Type I criteria for mandatory continuing education requirements toward relicensure as established by the Board of Nurse Examiners for the State of Texas.

Earn up to 21.6 contact hours by attending this educational activity. No partial credit will be awarded for attendance at any part of the day’s presentation. The participant must attend each day in its entirety to receive CE for that day.

FEE, REGISTRATION & CONFIRMATION INFORMATION
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Payment must be in U.S funds, payable to Baylor College of Medicine. Continental breakfasts, breaks, luncheons, and syllabus are included in the registration fee.

To register/pay online, visit the activity website at http://cme bcm tmc edu/1268 and follow the instructions.

Residents/Fellows can register online, but “verification of status” must be submitted within 24 hours of registration via fax to 713.798.7955 or 713.798.6600

CANCELLATION/REFUND POLICY
Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955 or 713.798.6600.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.
GUEST FACULTY

José Angel Obeso, MD
Department of Neurology
Clinica Universitaria De Navarra
Pamplona, Spain

C. Warren Olanow, MD
Chairman, Department of Neurology
Henry P. and Georgette Goldschmidt Professor
Mt. Sinai Medical Center
New York, New York

Anthony H. V. Schapira, DSc, MD
Professor and Chair of Clinical Neurosciences
University Department Clinical Neurosciences

FRIDAY, OCTOBER 29, 2004

7:15 AM  Registration and Continental Breakfast

8:00  Welcome and Announcements  
George J. Hutton, MD

8:10  Narcolepsy Update  
Michael Vincent Abene, MD

8:55  Treatment Issues In Elderly Patients with Epilepsy  
P. Jay Foreman, MD, PhD

9:40  Stem Cell Therapy for Neurologic Diseases  
Stanley H. Appel, MD

10:30  Health Break and Visit Exhibits

10:45  Myotonic Dystrophy: A Multisystem Disorder Produced by Multiple Mechanisms?  
Henry F. Epstein, MD

11:30  Neuromusicology: Music, the Brain and Neuroscience  
David B. Rosenfield, MD

12:20 PM  Lunch (provided)

1:20  Limb Girdle Muscular Dystrophies  
Ericka P. Simpson, MD

2:15  Update on Alzheimer Disease  
Rachelle S. Doody, MD, PhD

3:00  Health Break and Visit Exhibits

3:20  Dementia in ALS  
Paul E. Schulz, MD

4:15  Prions: New Foes and Old Enemies  
J. Clay Goodman, MD, PhD

5:00  Adjourn
Continental Breakfast/Registration Desk Opens

Hyperlipidemia, Statins, and Stroke
David Chiu, MD

Cardioembolic Stroke
Thomas A. Kent, MD

Health Break and Visit Exhibits

Early Onset of Multiple Sclerosis and ADEM
Timothy E. Lotze, MD

New and Emerging Treatment in Multiple Sclerosis
George J. Hutton, MD

Lunch (provided)

Tourette Syndrome: Diagnosis and Treatment
Joseph Jankovic, MD

Current Concepts in the Pathogenesis of Parkinson’s Disease
C. Warren Olanow, MD

Disease-modifying Therapies of Parkinson’s Disease
Anthony H. V. Schapira, DSc, MD

Health Break and Visit Exhibits

Pathophysiology and Treatment of Motor Complications of Levodopa Therapy
José Angel Obeso, MD

Panel Discussion on Movement Disorders

Adjourn
PROGRAM SCHEDULE

SUNDAY, OCTOBER 31, 2004

7:30 AM  Continental Breakfast/Registration Desk Opens

7:55  Announcements
George J. Hutton, MD

8:00  Deep Brain Stimulation in the Treatment of Parkinson’s Disease and Hyperkinetic Movement Disorders
José Angel Obeso, MD

8:45  Cell and Gene Therapies of Neurodegenerative Disorders
C. Warren Olanow, MD

9:30  Neuroimaging in Stroke
David Tong, MD

10:15  Health Break/Visit Exhibits

10:30  Friedreich’s Ataxia as a Model of Oxidative Stress
Anthony H. V. Schapira, DSc, MD

11:15  Pathophysiology and Treatment of Essential Tremor
William G. Ondo, MD

Noon  Question/Answer Session and Closing Remarks

12:15  Adjourn

As of the printing of this brochure, this activity is supported by unrestricted educational grants from: Allergan; Bayer Healthcare; Berlex Laboratories; Bertek Pharmaceuticals, Boehringer Ingelheim; Forest Laboratories, Inc.; GlaxoSmithKline; Novartis Pharmaceuticals Corporation; Shire US Inc.; and Teva Neuroscience, Inc.

It is the policy of Baylor College of Medicine (Baylor) that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. Baylor also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Faculty, topics, program schedule, and credit are subject to change.

Audio or videotaping is prohibited without written permission from the Program Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas.
CONFERENCE LOCATION & ACCOMMODATIONS
Accommodations should be arranged directly with The Houstonian Hotel. Please identify yourself with the Baylor College of Medicine Current Neurology conference when making reservations in order to benefit from the special group rate ($159 single/double). Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is October 7, 2004, unless the room block has already been filled. The City of Houston is hosting a large convention the weekend of this conference, please reserve your room early.

The Houstonian is easily accessible to the city's most sought after attractions. Houston Intercontinental Airport and Hobby Airport are both just a 30 to 45 minute drive, while downtown and the George R. Brown Convention Center are only 7 miles away. Within two miles is the Galleria and Houston’s area’s fabulous shopping, dining and entertainment. The Houstonian is an oasis in the heart of the city. All hotel guests can use the private jogging trails, tennis courts, hand ball courts, swimming pool, and the state of the art exercise facilities. To learn more about The Houstonian Hotel you can go online at www.houstonian.com
