CONFERENCE OVERVIEW

This conference will concentrate on common diagnostic challenges in dermatopathology emphasizing a pragmatic approach to establishing clinically-relevant differential diagnoses and to the appropriate use of ancillary diagnostic tests. Neoplastic and inflammatory skin diseases will be covered, and the impact of diagnoses on patient care will be discussed. Interactive self-assessment cases will be included in the afternoon session.

TARGET AUDIENCE

Pathologists, dermatologists, residents and fellows in pathology and dermatology, medical students, and all physicians who treat patients with skin disease.

OBJECTIVES

At the conclusion of the activity, the participant should be able to:

- Describe key histologic, immunophenotypic, and genetic features of various cutaneous lymphoproliferative disorders
- Discuss key features and tests used to differentiate atypical melanocytic nevi and selected variants of malignant melanoma
- Recognize several recently described mesenchymal neoplasms of the skin
- Formulate meaningful differential diagnoses of inflammatory skin diseases based upon correlations of the histologic reaction pattern and the clinical presentation
- Differentiate key microscopic and clinical features of 20 skin diseases presented by a panel of dermatopathologists.

EDUCATIONAL METHODS

Lectures • Interactive Self-Assessment (Audience Response System) • Syllabus • CD ROM (Case Studies)

EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias.
ACCREDITATION/CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Baylor College of Medicine and The Houston Society of Clinical Pathologists. Baylor College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Baylor College of Medicine designates this educational activity for a maximum of 8.0 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

17TH ANNUAL SPJUT AWARD DINNER (Black tie optional)

Date: Saturday, April 9, 2005
Time: 7:00 PM to 10:00 PM
Place: OMNI Houston Hotel, Grand Ballroom, Four Riverway, Houston, Texas

Spouses, guests of conference participants, and other persons not registered for the conference are welcome to attend. However, due to limited space advanced reservations are required for all attending. Tickets are $75.00 per person (non-refundable) and must be purchased by April 1, 2005. See registration form. Contact Beverly Osterloh, Program Coordinator at 713.798.8659 or email osterloh@bcm.tmc.edu with any questions regarding the Spjut Award Dinner.

17th Annual Spjut Award Recipient – Milton J. Finegold, MD

The Board of Directors of the Houston Society of Clinical Pathologists established the Harlan J. Spjut Award in 1989, upon the announcement of Dr. Spjut's retirement, to recognize an individual who has demonstrated sustained and distinguished scholarly achievement in pathology or a related discipline. The recipient of the 2005 Spjut Award is Milton J. Finegold, M.D.

Dr. Finegold was born in New York, New York in 1935. He earned his undergraduate degree at Columbia College and his medical degree at University of Rochester Medical School with honors. Dr. Finegold performed a surgery internship at Grace-New Haven Community Hospital and pathology residency at Bellevue Hospital—New York University Medical Center. Following residency, he served as Chief of the Anatomic Pathology Branch of the US Army Laboratory at Fort Detrick, Maryland.

Dr. Finegold began his academic career at New York University School of Medicine where he achieved the rank of Professor of Pathology. He came to Houston in 1979 as Professor of Pathology and Pediatrics at Baylor College of Medicine to become the head of the department of pathology and director of the laboratory at Texas Children's Hospital. In 1987 he was also named Associate Chairman of the Department of Pathology at Baylor College of Medicine, a position he currently maintains.

Dr. Finegold's administrative expertise has led to numerous invitations to act as consultant to pathology departments around the country. His scientific accomplishments are universally acknowledged. He is on the editorial board of Human Pathology, Pediatric Pathology and Laboratory Medicine, Archives of Pathology and Laboratory Medicine, and Modern Pathology and is a reviewer for many other journals. He has published 219 journal articles, 19 books or chapters and has given numerous invited lectures and research seminars. He is currently an investigator on three active USPH/NIH funded grants.

FEE, REGISTRATION AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at http://cme.bcm.tmc.edu/1294 and follow the instructions.

Continental breakfast, breaks, lunch, syllabus, and CD ROM are included in the registration fee. Spjut Award Dinner is not included. See registration form.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the Office of Continuing Medical Education (OCME) at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME’s liability is limited to the registration fee paid.

CONFERENCE LOCATION AND ACCOMMODATIONS

OMNI Houston Hotel
Four Riverway Phone: 713.871.8181
Houston, Texas 77056 Fax: 713.871.8116
Accommodations should be arranged directly with the OMNI Houston Hotel. Please identify yourself with the Baylor College of Medicine Houston Pathology Conference when making reservations in order to benefit from the special group rate ($149 single/double). A limited number of rooms have been reserved at the conference rate. Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is March 18, 2005, unless the room block has already been filled. Reserve your room early.
